Midlands State University Results 2019-2021

Level 2 Semester 2

Data Communications and Computer Networks

Object Oriented Programming

Mini Project`

Software Engineering

Design and Analysis of Algorithms

Level 2 Semester 1

Object Oriented Analysis and Design:

Database Design and Development:

Technopreneurship:

Web and mobile Development:

Computer Security:

Gender Studies:

Level 1 Semester 2

Physics for Engineer:

System Analysis and Design:

Applied Statistics I

Data Structures and Algorithm:

Mathematical Discourse and Structures:

Level 1 Semester 1

Operating Systems:

Linear Mathematics:

Introduction to Computers and Computer Application:

Digital System Design:

Basic Communication Skills:

Introduction to Programming:

Mathematical Discourse and Structures:

Web and mobile Development:

Computer Security:

KNOWLEDGE IN:

- Java
- Python
- JavaScript and Typescript
- Firebase
- Django Framework
- Angular framework
- Web development
- Github
- Flutter and dart

PROFFESIONAL & PERSONAL SKILLS

- Excellent communication and report writing skills
- Good ability to quickly gain new skills and knowledge whenever required
- Creative and innovative
- Ability to work well in teams that impact knowledge and well also I can contribute to.
- Result oriented, critical thinking, planning and attention to detail

HOBBIES

- Nature walking
- Programming and graphic designing
- Reading documentations and motivational literature
- Playing basketball

Dear Sir/Madam

Re: - Application for Work-Related Learning Placement

We hereby request a place for Work-Related Learning on behalf of our student **MICHAEL CHEMAKA**, (Reg No.: R1917839B), during the third year of his BSc. (Hons) Computer Science Degree programme, in your organisation or institution.

The degree programme is of four (4) years duration including a one-year period of Work-Related Learning which is done in the third year.

It is hoped that the Work-Related Learning opportunity will develop in the student a repertoire of skills necessary to function in a multi-operational organization, resilience and consistency in the face of challenges. In addition, we hope your organization/institution will also gain from the student whom we believe has acquired enough theory during his two years at the University.

You may contact the student concerned directly when responding to this communication, but if you require any further clarification contact any of the contact persons below.

Mr T. Mzikamwi (+26354-2260409 ext 2332), Cell: +263771650387

Email: mzikamwit@staff.msu.ac.zw *mzikamwi*

Mr T.G Rebanowako (+26354-2260409 ext 2332), Cell: +263772998332

Email: rebanowakot@staff.msu.ac.zw

Mr M. Giyane, (Chairperson), +26354-2260409 ext 2390, Email: givanem@staff.msu.ac.zw
